---

On January 13, 2003, Global NAPs, Inc. ("Global NAPs") filed a complaint with the Department of Telecommunications and Energy ("Department") alleging that Global NAPs has been wrongfully denied the issuance of collocation access/identification cards by Verizon. Specifically, Global NAPs alleges that collocation access/identification cards are required for access to Global NAPs' equipment located in Verizon's facilities and that Verizon has unreasonably changed its requirements for card issuance. Verizon alleges that its requirements are reasonable, non-discriminatory, and in accordance with Federal Communications Commission rules. This matter has been docketed as D.T.E. 03-29.

The Department will hold a public hearing to receive comments on Global NAPs' complaint. The hearing will take place at the Department's offices, One South Station, 2<sup>nd</sup> Floor, Boston, Massachusetts on Tuesday, March 25, 2003, at 10:00 a.m. A procedural conference is scheduled to follow immediately thereafter.
